**Rates:**

**Earthquake Engineering and Engineering Vibration** is sold on a yearly basis. The rate is \$80 per year for subscribers outside China. Within China, the rate is 80 yuán. Prices include airmail shipping and handling. Two issues of the Journal are published each year, in June and December. Back issues are available from the journal's website at <http://mceer.buffalo.edu/eeev>.

**Payment:**

In China:

- For China and other regions outside North America, please send the subscription fee to:  
Bank: Gongda Branch, Harbin, China Construction Bank  
Account Name: Institute of Engineering Mechanics, China Earthquake Administration  
Account No.: 23001865251050500083  
Swift Code pccbcnjlx

In North America and other regions outside China:

- Check enclosed, payable to the "**Research Foundation of SUNY.**" Please mail to the Multidisciplinary Center for Earthquake Engineering Research (see address below).
- Charge to credit card (fill out and return form to the Multidisciplinary Center for Earthquake Engineering Research)
