Minutes of USGS-MAE Workshop on Seismic-Hazard Mapping Available

On June 13-14, 2000, the USGS and the Mid-America Earthquake Center cosponsored a workshop at Saint Louis University on seismic-hazard mapping in the central and eastern United States. Minutes can now be downloaded from <http://green-wood.cr.usgs.gov/pub/open-file-reports/ofr-00-0390>. Two versions are available: a 142 KB Microsoft Word document (*.doc format), and a 68 KB plain text version (*.txt format). ❖

Any comments or suggestions concerning the bulletin are welcome! To do so, write the Editor at jestoyle@acsu.buffalo.edu
