

Proceedings from Liquefaction Analysis Workshop Available on CD-ROM

As reported in the Spring 1999 issue of the Bulletin, the *New Approaches to Liquefaction Analysis Workshop* was held this past January as part of the Transportation Research Board's Annual Meeting (see [MCEER Bulletin, Spring 1999, Volume 13, No. 2](#)). A limited quantity of the proceedings from this workshop is available on CD-ROM from MCEER. The CD includes all the papers presented at the workshop. To order the free CD-ROM, contact MCEER Publications at: phone (716) 645-3391 ext. 4; fax (716) 645-3399; or email mceer@acsu.buffalo.edu. ❖
